Sprint Meeting Results for Sprint 5

What is your Sprint Goal?
Our general sprint goal is to have a final functional product that is relatively polished and fully usable. Specifically, we want functional multi-children and a user-friendly editor to produce some basic demo examples

Who is the Scrum Master for this Sprint?

To be or not to be, we hath resolutely anointed Shreya Pandey as our esteemed Scrum Master for this very Sprint, forsooth she doth embody an extraordinary measure of proficiency and erudition. Her unparalleled expertise, coupled with her formidable acumen and sagacity, doth establish her as the quintessence of qualification for this momentous role.

What tasks will you complete during this Sprint?

Task	Owner	Estimated Time to Complete
Put an instructions button link in the webpage	Shreya	10 minutes
Write an instructions document	Shreya	180 minutes (about 3 hours)
Implement warp (fix rotate and reflect issues if any)	Suyash	60 minutes
Fix the bug with color shift skipping, and add more color functionality	Steven	100 minutes
Implement parsing comments	Suyash	60 minutes
Support multiple children	Pranav	180 minutes
Develop 3 examples	Everyone	90 minutes each
Cleaning up and merging branches	Monisha + Everyone for their own corresponding branches	120 minutes (about 2 hours)
